### **1317.08 REVOCATION OF REGISTRATION**

The Building Commissioner may disapprove or revoke any registration or renewal thereof issued under provisions of this chapter for good cause and including but not limited to one or several of the following reasons:

- (a) Misrepresentation of a material fact by the applicant in obtaining the registration or renewal thereof;
- (b) The use of the registration by the registrant in obtaining a building permit for work to be performed by a contractor or building other than the registrant;
- (c) Failure to abate a violation or noncompliance with any provision of any applicable code or ordinance of the City within the time specified in the written notice of such violation or noncompliance;
- (d) Commencing work for which a permit is required without first obtaining such permit;
- (e) Abandonment or failure to perform, without justification, any project undertaken by the contractor;
- (f) Failure to honor any written warranties or guarantees;
- (g) Cancellation of the required bond or Certificate of Insurance;
- (h) Engaging in a course of conduct calculated to induce owners and/or tenants of property or their authorized agents, to enter into a contractual relationship for labor and/or materials through misrepresentation of labor costs or through misrepresenting that the materials and/or specifications used comply with all applicable ordinances of the City; or
- (i) Other acts not specifically set forth, when, in the determination of the Building Commissioner, such acts are detrimental to the general welfare of the citizens of the City.
