**INFORMATION BULLETIN #5-10-07  
FIRST ENERGY (ILLUMINATING COMPANY)  
RE: METER & SERVICE RECONNECTION APPROVAL**

First Energy (Illuminating Company) has instituted a Company procedure for re-connecting an Electric Meter or Service which requires approval from a Certified Electrical Contractor.

Prior to receiving approval for meter or service re-connect, an owner shall employ a Certified Electrical Contractor to evaluate the system for compliance with the National Electrical Code.

Upon completion of a system being brought into compliance with National Codes, the Certified Electrical Contractor shall provide a written report to the Illuminating Company. If the system is compliant with codes, at that time, and only at that time, the Illuminating Company will restore service.

**NOTE: THIS IS A PROGRAM INITIATED BY  
THE ILLUMINATING COMPANY.**

**THIS IS NOT A CITY SPONSORED PROGRAM.**
