

USE VARIANCE APPLICATION FORM

City of Cleveland Heights

Properties in the City of Cleveland Heights are governed by the City's Zoning Code. A property only may be occupied by land uses that are explicitly permitted by the Code in the Zoning District in which the property is located. Property owners wishing to use their land for a use not permitted by the Code must apply to the **Board of Zoning Appeals (BZA)** for a use variance. BZA must find and City Council approve that the applicant will suffer unnecessary hardship if strict compliance with the terms of the code is required. The applicant has the burden of demonstrating such hardship by clear and convincing evidence to **all seven (7) of the criteria listed on page 4 and 5**. BZA must find that all the listed factors apply.

BZA meetings are held on the third Wednesday of each month, with some adjustments for holidays, at 7:00 p.m., in City Council Chambers, on the second floor of City Hall. **Applications are due on the second Wednesday of the preceding month** (see page 2 for this year's dates).

Public Hearing and Board of Zoning Appeals Review

At the Board of Zoning Appeals meeting, City staff will make a presentation summarizing the requested variance and zoning regulations. City staff may also present neighborhood and historical context. The applicant then will have the burden to demonstrate to BZA that strict compliance with the terms of the Code will result in the applicant suffering unnecessary hardship. The Code requires such hardship must be demonstrated by clear and convincing evidence as to all seven (7) of the criteria listed on page 3. Accordingly, the submitted application must address each factor and how it relates to the property. An application that does not address each factor shall be considered incomplete and shall not be presented to BZA until complete. Staff can provide samples, as needed.

Neighbors, who will be notified in advance of the meeting by mail, and other interested parties will have the opportunity to participate during the public-hearing portion of the BZA meeting. BZA may grant or deny the variance, or it may postpone making a decision to consider or seek additional information. It is the BZA's responsibility to make decisions based on the facts presented, within the framework of criteria set by the Zoning Code. Variances denied by BZA are not reviewed by City Council.

City Council Review

A use variance is granted and has effect only following approval by City Council. A certified copy of the finding of the BZA granting the use variance is filed with Council. The record before the BZA is provided to Council and a staff report summarizing the same shall be made before the Committee of the Whole. Council approve the variance if it finds that the applicant has demonstrated, by clear and convincing evidence, all the criteria set forth in Section 1115.07(e)(2), outlined on pages 4 and 5. If Council does not find that the applicant has demonstrated all of the criteria set forth in Section 1115.07(e)(2) to the Board by clear and convincing evidence, Council shall disapprove the action of the BZA. Council will state the specific reasons for such disapproval.
