The police do their job effectively because of the tradition of resident involvement and support. Be a good neighbor. Get to know one another - that way it is easier to spot an unusual occurrence.

MEET YOUR CLEVELAND HEIGHTS POLICE

Realizing that problem solving in a community is a two-way communication between citizens and their Police Department, the Cleveland Heights “Meet Your Police” Program is an open-forum discussion designed to provide:

- Direct contact opportunities between the citizens of Cleveland Heights and a ranking Cleveland Heights Police Officer;
- Weekly meetings held 6:00-8:00pm the first Thursday of the month at the Police Academy (2595 Noble Road) and subsequent Thursdays in City Hall (lower level);
- Police-Citizen Contacts: Police will be able to acquire and analyze information from these contacts and develop a plan of action to solve the problem. After the Police action is complete, citizens will be contacted by the ranking Officer with a disposition or progress update.

In addition to problem-solving within the community, the “Meet Your Police” Program will focus on providing the following:

- An avenue for community members to learn about their Police Officers and the Police Department;
- A non-law enforcement atmosphere where adults and youth can interact with a Police Officer;
- Crime-prevention information to residents;
- A timely dissemination of information regarding incidents occurring in neighborhoods;
- Information on other services provided by the City and information on the Departments in City Hall.
