Are you a registered Cleveland Heights voter?	Yes
What special qualities, abilities, skills, insights or perspectives do you possess which would be of value in serving on Cleveland Heights City Council?	I have a background in accounting with experience as a blue collar worker and their concerns.
What educational training (formal or informal), employment and other life experiences have helped you develop the qualities, abilities, etc., described above?	I have a Masters degree in Theology, though never ordained. I further have worked as a tax preparer for mainly lower income people and have a desire to help get these people the benefits they deserve but often do not have an advocate for them.
Please list your recent community, professional or charitable involvements. List the most recent first.	I have little to no community involvement experience to claim.
What are your goals for our community and are there areas in which you believe the City needs improvement? How would your service on City Council help achieve those goals and improve the City?	Ditto

Do you have other responsibilities which would prevent you from participating in City Council and Council Committee work during certain hours or on certain days?	My full-time job is on an on-call basis and I may find my schedule time compromised.
State any additional information you would like to have considered.	Ditto
