**ARGUMENT OR EXPLANATION FOR THE PROPOSED AMENDMENT,
SUBMITTED TO THE CLEVELAND HEIGHTS CLERK OF COUNCIL**

Cleveland Heights deserves an elected mayor who is directly accountable to the citizens. Currently the mayor, vice mayor and city manager are appointed by city council. Voters have no voice in choosing those leaders to govern our community.

Issue 26 establishes the position of an elected, full-time mayor who will appoint a professional city administrator, with city council approval, to manage daily operations of the city. The mayor, unlike the current manager, will be accountable to voters; provide leadership across the community; define a vision for our city’s future; build broad collaborations with multiple stakeholders; and will be the voice of the city in county, regional and state affairs.

An elected mayor will provide for the currently absent checks and balances between true executive and legislative branches of government.

On the ballot, you will see the following language:

Issue 26:

**Proposed Charter Amendment
(By Petition)
City of Cleveland Heights**

A majority affirmative vote is required for passage.

Shall various Articles of the Charter of the City of Cleveland Heights be amended to change the form of government from its current elected Council and appointed Manager form, to an elected Mayor and Council form, and to provide for the powers, duties, four-year term, qualifications, and removal process for the office of the Mayor, and to create the position of the City Administrator appointed by the Mayor and subject to Council approval who shall be responsible for assisting the Mayor in overseeing the administrative functions of the City, commencing with the initial election of the Mayor to occur at the regular municipal election occurring in the year 2021; and to eliminate the City Manager position?

ARGUMENT OR EXPLANATION AGAINST THE PROPOSED AMENDMENT, SUBMITTED TO THE CLEVELAND HEIGHTS CLERK OF COUNCIL

Cleveland Heights already has a stable, accountable government with a professional, qualified city manager. The voters directly elect seven members of City Council, who set the policy and vision for our City, oversee the city manager, and have equal voices. There is no need for change.

Our government is the most common form of municipal government in the United States and has served our City well for nearly a century. This change would create a massive shift in power to just one person whom residents could hold accountable only once every four years and whose only qualifications include being a resident for at least 18-months and not a felon. In contrast, a portion of Council faces election every two years. Our City's safety and future cannot be left to chance.

With over 600 employees and an annual budget of over \$80 million, our City needs qualified, non-partisan and professional management – not a politician with a personal agenda, answering to political contributors.

The change being sought by Issue 26 would not be fully implemented until 2022, resulting in at least two years of significant uncertainty. We could lose our City Manager and key staff immediately, eroding the accountable and stable leadership we have in place. These years of destabilization could also halt our progress on exciting projects underway across our City.

A 15-member Charter Review Commission, composed of concerned residents, worked for sixteen months studying our charter, and overwhelmingly agreed with the importance of retaining our form of government. The Commission made its recommendation to City Council to keep our form of government for good reason. It is accountable, less prone to corruption, and allows for effective, efficient, and non-politicized management of safety and services.

We urge voters to keep our City moving forward and vote NO on Issue 26.
