City Hall Departments

Building Department

The Building Department works closely with residents and contractors to ensure safety and quality in new construction and repairs. By issuing permits, examining plans and monitoring construction throughout the city, Building promotes a structurally sound and architecturally pleasing environment. Of importance are building permits, which protect residents from sub-standard materials and improper building methods. They also help maintain standards in building design.

Community Services

A vital link between City Hall and its residents, Community Relations promotes communication between City Council, City staff and residents.

Community Relations responsibilities include the:

- Coordination of City Hall tours and neighborhood and street meetings
- Distribution of information packets to new homeowners and renters
- Scheduling of block parties, block party barricade reservations and street party equipment

In addition, Community Relations assistants make every effort to respond to neighborhood concerns as quickly as possible to ensure that issues are resolved before they accelerate into more serious situations. Contact them at comrel@clvhts.com or call 216-291-2323.

The Public Relations Division produces all City publications including FOCUS Magazine (a combined publication of City news and recreation programs), the bi-weekly eNewsletter, social media communications, and the annual Cain Park season brochure.

The division also provides marketing assistance for Cleveland Heights programs, including Cain Park, and manages the City's and Cain Park's websites. They also coordinate and do outreach to local and regional media.

Cain Park

Cain Park is "Your Summer Arts Park," complete with a season of music and dance concerts, locally produced musicals, a nationally renowned Arts Festival, and other recreational activities.

Economic Development

The Economic Development Department's mission is to provide outreach to existing businesses and strive to expand new development opportunities for growing companies and aggressively attract new opportunities through entrepreneurial, domestic and international networks.

To meet these long-term objectives, Economic Development's goal is to make Cleveland Heights a business-friendly location of choice that is proactively pursuing opportunities to grow the City's commercial and residential tax base.

City Hall Departments *Continued*

Finance Department

The Director of Finance serves as the chief fiscal officer of the City. The Department of Finance consists of the Divisions of Accounting and Treasury. All financial transactions are monitored for accuracy and compliance with applicable federal, state and local laws.

Fire Department

The Cleveland Heights Fire/EMS Division, a component of the Department of Public Safety, provides fire protection and paramedic service for the residents of Cleveland Heights. It is known for its superior response times and excellent, ongoing training. Cleveland Heights has a 75-member Fire Division covering 8.2 square miles. The Fire Division responds to more than 7,000 runs each year. For non-emergencies please call 216-291-2673.

Housing Programs

The City is proud of the fine craftsmanship with which Cleveland Heights homes were built, and the maintenance of these homes is very important. Housing Programs, consisting of Inspection Services and Housing Preservation, is charged with helping to ensure that high standards in the city's varied housing stock continue to be met.

The Housing Program's mission is to perform fair, standardized, comprehensive inspections of Cleveland Heights properties in order to preserve the housing stock, promote high property values, eliminate health and safety hazards, and make the city a more desirable community.

Law Department

The Cleveland Heights Law Department represents the City in all criminal prosecutions and civil litigation; acts as legal adviser and counsel to the City Manager, City Council and all City offices, employees, departments, boards and commissions; and prepares legislation at Council's request.

Office on Aging

The Office on Aging serves thousands of residents age 60 and over every year through information referral and supportive services. Programs such as Meals on Wheels of Cleveland Heights, Inc. prove invaluable to the senior community. Senior residents are also assisted by Office on Aging social workers, and the Senior Activity Center at the Cleveland Heights Community Center, located at One Monticello Boulevard, has programming and events for a wide range of interests.

Parks & Recreation

Throughout the year, the City of Cleveland Heights offers a variety of programs for residents of all ages and interests, ranging from sports to the arts, through the efforts of the Department of Parks and Recreation. Activities and programs take place at the Cleveland Heights Community Center, more than 135 acres of parks, and Cumberland Pool.

Planning Department

The Department of Planning and Development is charged with the preservation and improvement of the City's residential neighborhoods, commercial districts and public areas. The staff is focused on providing information, assistance and advice to the City Manager, City Council, citizens and business persons in all areas related to architectural and urban design, planning and zoning, economic and community development and historic preservation.

Police Department

The Cleveland Heights Police Department, in partnership with the Community, is dedicated to protecting the lives, property and rights of all persons while maintaining order, reducing fear, informing the public and enforcing the laws fairly and impartially.

The men and women of the Cleveland Heights Police Department perform their duties with the highest degree of professionalism, honesty and dedication to those whom they serve. These duties are delivered under the direction of strong leadership with a commitment to continuing education.

Look for Police and Safety forces' events throughout the year and visit the weekly Meet the Police event: the first Thursday of the month at the Police Academy (2595 Noble Road); the other Thursdays on the lower level of City Hall.

Public Works

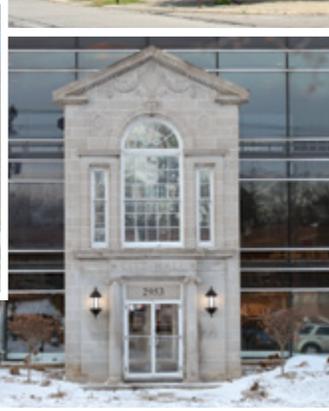

The City of Cleveland Heights Public Works Department is committed to providing a superior level of public service to the residents of Cleveland Heights and maintain the City's infrastructure in an efficient and cost-effective manner. The Public Works Department is responsible for maintenance and repair of city streets, public grounds and parks; cleaning, repairing, maintaining and inspecting all sanitary and storm sewers, drains, culverts and watercourses; ice and snow removal, maintenance of public buildings; and the collection and disposal of solid waste and recyclables.

The following services are performed by city employees throughout the year:

- Refuse and Recycling Collection
- Street Maintenance
- Snow and ice
- Leaf collection
- Sanitary and Storm Sewer Maintenance
- Forestry
- Capital Projects
- Signs and Signals
- Parking Meter Maintenance and Collection

The City is fondly called "the City of Trees" and has been designated a Tree City USA by the National Arbor Day Foundation for over 40 years, therefore, the Forestry Division is busy tending to the city's tree canopy. Those interested in having a tree on their tree lawn, should contact the Forestry Division at 216-691-7300.

The City actively maintains a Capacity, Management, Operations and Maintenance (CMOM) program. As part of this program, the Sewer Utility Division cleans and televises all sanitary mains in the city on a regular basis to maintain operational efficiency.

A Brief History of Cleveland Heights

Long before Patrick Calhoun, with a substantial loan from John D. Rockefeller, Sr., created one of Cleveland's first "garden suburbs," our community was home to Native American tribes such as the Erie and Seneca. In the late 18th and 19th centuries, pioneers established settlements within the current Cleveland Heights border such as the hamlet near the intersections of Mayfield and Superior Roads. The Shakers ran a broom factory near Lee Road, a grist mill at Coventry and Fairmount, and stone quarries around North Park and Grandview.

By the mid-1800s, the area that became Cleveland Heights was a thriving farm community. Large lots were owned and worked by families whose names are immortalized in the streets we travel regularly: Lee, Silsby, Taylor, Quilliams, Antisdale, and many more. After the Civil War, Orville Dean opened his dairy and John Peter Preyer, an early occupant of our City, operated huge vineyards in the Superior/Mayfield area where he employed Italian immigrants from the newly established "Little Italy."

Around 1892, a New York developer while visiting Cleveland, traveled to Lake View Cemetery to visit the Garfield monument. Ascending the hill, he was struck by the vision of a recreated English village to which wealthy Clevelanders could escape from the hustle-bustle of a growing Cleveland. Millionaire's Row and other wealthy neighborhoods in the central city had already peaked and he recognized the demand that would exist for such a retreat.

Cleveland Heights was incorporated in 1903. At that time, it had a population of 1500. By 1921, Cleveland Heights had become a city. Soon after, a volunteer fire department and a public school system were established. The city's first high school opened in 1904 and the first public library opened in 1911 inside Coventry Elementary School. In 1915, a police department was established. A Georgian Revival City Hall was built in 1923. It was demolished in 1986 when the current facility was built at Severance Circle.

For 31 years (from 1914-1945) Frank Cain served as mayor. The house he lived in still stands at 1769 Radnor Road.

In 1916, the city passed a bond issue to purchase parkland. Today Cleveland Heights has 135 acres of parks, including Forest Hill Park (donated by John D. Rockefeller in 1938), Cain Park (created by the Works in Progress Administration in the 1930's), Cumberland Park and Denison Park.

Cleveland Heights continued to grow and today is a thriving community of 47,000 with a unique architectural persona and an unsurpassed sense of neighborhood. It continues to be a desirable location for people working downtown or in neighboring University Circle.

Now, as then, Cleveland Heights takes exceptional pride in its history, diversity, culture, and humanity.

Shop Cleveland Heights

Cleveland Heights is known for its distinctive shopping areas tucked into neighborhoods throughout the city, each district with its own special flair and ambiance all within walking distance of the neighboring homes.

CAIN PARK VILLAGE

This district along Taylor Road is a destination spot for our growing orthodox Jewish community. People from all over the greater Cleveland area come to shop at Ungar's Bakery, the largest Kosher bakery in Cleveland. Kinneret Kosher Pizza shop has a wide variety of kosher take-out and the area is home to other businesses including a Judaica store and Berkowitz-Kumin-Bookatz, a memorial provider that specializes in serving the Jewish Community.

CEDAR-FAIRMOUNT

The Cedar-Fairmount business district is known as the Gateway to Cleveland Heights. In the early 1900s, real estate developers turned this area into the first planned neighborhood shopping district in the Heights. Their design for a miniature English village led to the completion of the Tudor-style Heights Center Building in 1918.

Entertainment and Dining

Nighttown not only offers great dining but nationally renowned musicians in an intimate concert setting. Cedar-Fairmount also boasts several award-winning restaurants, including Vero Pizza, Barrio, and Aladdin's Eatery. New to the district is Zhug, a full-service Mediterranean-themed restaurant by chef Doug Katz. There are also places to stop for a quick snack, such as Bruegger's Bagels and Starbucks Coffee. Luna Bakery will draw you inside with tantalizing aromas of freshly baked bread and pastries. For a fun evening out, visit The Fairmount Martini & Wine Bar, Buffalo Wild Wings or Parnell's Pub.

Unique Shops, Important Services

Browse interesting antiques, choose a bestseller at independently-owned shops. The Cedar-Fairmount district is home to many professionals representing the legal, social, health, interior design, architectural and business consulting fields.

CEDAR-LEE

The Cedar-Lee commercial district covers a one-mile stretch of Lee Road from Superior to Dellwood roads. The area is home to over 150 businesses as unique as the residents of the neighborhood it serves. Visitors can meet virtually all of their shopping, entertainment, dining and service needs with one visit to Cedar-Lee.

Entertainment and Dining

One of the district's anchors, the Cedar Lee Theatre, has been drawing moviegoers since its opening in 1925 and is celebrated as one of the finest cinemas in the area. In the mood to see a live performance? Dobama Theatre has exciting offerings. Visitors to the Cedar-Lee neighborhood can choose from a wide selection of delicious foods at any of the dozen or more dining establishments in the area, many of which have been voted the best of their categories in Greater Cleveland. Check out Zoma's for Ethiopian food, or MOJO world eats & drinks. Taste gives you a first-class experience or an old favorite, The Tavern Company, never leads you wrong. The Rib Cage has great BBQ and the Stone Oven has your soup, salad, sandwiches and bakery cravings covered. For those who would rather prepare their own feasts, Zagara's, a family-owned grocery store, boasts offerings beyond the regular fare – sushi, soups, prepared foods, baked goods, fresh flowers and an in-house caterer. For your special evening out, try the Wine Spot, CLE Urban Winery, Bottlehouse Brewery, Boss Dog Brewery, and Voodoo Brewery. The area's venues, pubs and coffee shops showcase local bands and host author talks, book clubs, and more!

Unique Shops, Important Services

Immerse yourself in Lee Road's eclectic and creative vibe. From groceries to goods to handmade chocolates, jewelry & cards, or the "just right" pair of running shoes, Lee Road is a convenient stop for everyday essentials with a friendly close-knit neighborhood feel. Our library is one of the best in the nation. Stop into the Heights Library main branch on Lee Road and check out an amazing selection of books, media & activities, the computer center, the CSU Ohio Small Business Development Center, passport services, meeting spaces and more.

CEDAR-TAYLOR

Entertainment and Dining

Nestled at the corner of Cedar and South Taylor roads, Melt Bar & Grilled offers gourmet grilled cheese sandwiches in an eclectic tavern setting while a few doors down, Café Tandoor provides fresh, healthy and delicious Indian cuisine. You can also stop by Pizza Bogo or get innovative vegan offerings at Foodhisattva.

Unique Shops, Important Services

Relax and be pampered at Quintana's Barber & Dream Spa as you choose from services such as an old-fashioned shave, pedicure, manicure, facial or massage. A vast array of yarns and helpful knitting/crocheting expertise is available at Susan's Yarns. Mister Brisket is one of the best butcher shops in Northeast Ohio and now has dine-in seating to enjoy some of their prepared foods. Check out some of the unique shops like DorNee' for organic soaps and lotions or Gleena's Ceramics for handmade pieces you won't find anywhere else.

CENTER MAYFIELD

A main thoroughway in Cleveland Heights, there are diverse businesses to visit. S & S Dinette offers a wide variety of tables, chairs, benches, stools and more that will complement all styles of home decor. If you are in need of auto body or automotive repair then McCarthy's Auto Body, Inc., Conrad's and Hollis Automotive are the places for you. AV Remodeling is a full-service company and Simply Self Storage can accommodate those extra possessions. BNH Corporate Place offers professional office space in a variety of sizes. 121ecommerce is a web development firm that calls the Center Mayfield District and the BNH Corporate Place home.

COVENTRY VILLAGE

Sometimes called Cleveland's Greenwich Village, Coventry Village is one of the Cleveland area's most original and interesting shopping experiences with its eclectic assortment of stores and restaurants. It draws residents and tourists alike. On a trip to Coventry you can shop for necessities at the locally owned hardware store, or floral shop or grab a bite to eat. After taking care of your errands, you can spend the day wandering through the one-of-a-kind shops that Coventry has to offer. Where else can one find unusual gifts, cards, music, clothing and new and gently-used books all on one short street?

Entertainment and Dining

The restaurants in Coventry Village offer a wide array of dishes, from pub food, vegetarian, burgers, subs, and pizza to Asian, Mexican and Moroccan cuisine. Several establishments have been winners of Cleveland Magazine's Silver Spoon Award and some, like Tommy's award-winning "best shakes in Ohio" according to *USA Today* are staples of the neighborhood that have been serving hungry guests for decades. Also for great dining experiences, try Pacific East, known for its great sushi, Panini's Bar and Grill, Bodega and Cilantro Taqueria.

Unique Shops, Important Services

You can enjoy great live theater at Ensemble Theatre now in its new location at the Coventry PEACE Campus, and top off the evening with live music at the eclectic Grog Shop. Find unique, quality gifts at Passport to Peru, City Buddha or Cleveland Candle Company.

FAIRMOUNT-TAYLOR

One of our smaller commercial districts is chock-full of great shops.

Entertainment and Dining

Further east on Fairmount at South Taylor Road, GiGi's On Fairmount offers a unique dining experience and one of the best brunches around. For those in search of fresh-baked goods, On the Rise Artisan Breads and Pastries offers European-style treats of superior texture and quality as well as a luncheon café menu.

Unique Shops, Important Services

Shoppers can roam through an assortment of specialty shops that offer merchandise from children's items to gifts at Wool and Willow to Ohio-made Amish-built furniture at Eastwood Furniture, to special occasion clothing at You Two. One of Cleveland's finest design firms, Paul Hamlin Interiors, is located here as is Studio Taylor Salon. You can also drop in for a class at Yoga Roots.

MAYFIELD-LEE

Home to a Cleveland Heights landmark, the Heights Rockefeller Building, Mayfield-Lee features shops and services. The Heights Rockefeller Building retains the original architecture from the previous tenant, The Cleveland Trust Company (one of the country's largest banks in the 1930's), and is now home to Stems Fleur, which offers chic, modern handmade floral couture and Proximity Golf Lounge, Animal Zen and others. Across the street is Blanc Noir, a lovely women's boutique.

NOBLE-MONTICELLO

The Cleveland Heights Police Academy finds its home in a brick English Tudor-style former fire station that typifies the character Heights planners envisioned for the Noble-Monticello district as it developed in the 1920's. Rainbow Veterinary Clinic, a full-service veterinary hospital, CVS Drugstore, The Home Repair Resource Center and numerous barber and beauty salons anchor this district.

NOBLE NELA

The Noble Nela district is at the northern end of the City just before Noble Road exits Cleveland Heights. One of the most recognized entities in the district is Nela Park, General Electric's Lighting Division headquarters. During the Christmas season, a spectacular lighting display at Nela Park draws visitors from all over greater Cleveland. Nela Florist is a long-standing anchor to the district. The Noble Nela district is also home to the Cleveland Heights Police Department's Community Response Team.

NORTH TAYLOR

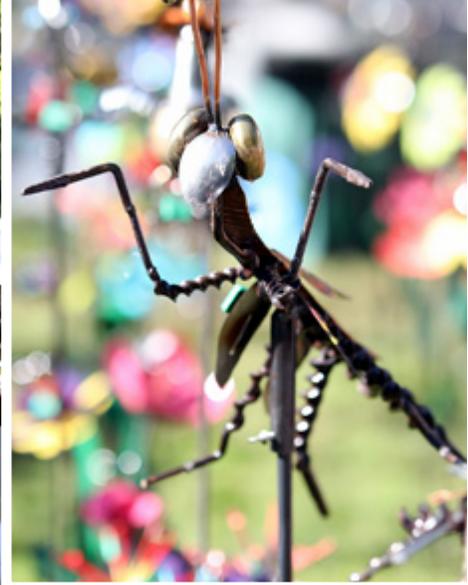

Licensed childcare provider Toddle Inn offers childcare from infants to school age. North Taylor is also home to the prestigious and nationally accredited Lakewood College that also prides itself on offering a quality online education to our military and their families for over 12 years.

SEVERANCE TOWN CENTER

In addition to the small locally owned businesses in our other commercial districts, Severance Town Center has several national retailers. Home Depot, the country's top home improvement store, anchors the south side of Severance Town Center. Other large chains include Office Max & Marshalls. A convenience wing on the west side of the Town Center offers Dave's Marketplace, a full-service grocery store, clothing outlets and other various restaurants and merchandisers.

Also on Severance Circle

The road around the Town Center, Severance Circle, is home to businesses and organizations, including Cleveland Heights City Hall, the Cleveland Heights Post Office, MetroHealth Medical Center and Severance Medical Arts Building. The fountain which originally graced the Severance Estate is now on the lawn of City Hall on whose property the Center was built.

Home To The Arts

Cleveland Heights offers provocative, daring theater, fresh and urbane galleries, socially relevant arts organizations, not to mention a renowned summer arts park that brings in world-class performers and hosts a highly lauded arts festival. We have what it takes to whet the artistic appetites of connoisseurs, novices and patrons alike, so that many of those same people make Cleveland Heights their home. Take a look at all we have to offer. The list is extensive but one that is sure to give you what you're looking for.

Introducing Cain Park

Superior and Lee Roads | www.cainpark.com

Built in 1938 as a project of the Works Progress Administration (WPA), Cain Park is a 22-acre, municipally-owned and -operated “Summer Arts Park” with two outdoor, covered theater spaces: the 262-seat Alma Theater and the 1,222-seat (covered) plus lawn (open-air, seats 1278) Evans Amphitheater, as well as an air-conditioned visual arts gallery, the Feinberg Art Gallery.

Cain Park produces musical theater; a summer concert series which includes nationally and regionally renowned performers in jazz, blues, pop, rock, and world music; local, regional, and national modern dance and ballet companies; two art gallery shows; and a juried, nationally renowned, weekend-long Arts Festival in July.

Be sure to visit www.cainpark.com for this summer’s exciting lineup or watch the FOCUS Magazine for an update. For a copy of the current Cain Park brochure or to be put on the Cain Park mailing list, call **216-291-5792**.

Heights Libraries | <https://heightslibrary.org>

The Cleveland Heights-University Heights Public Library system serves as a great equalizer by providing free and equal access to knowledge and resources; providing a community forum for diverse ideas and points of view that help us better understand each other and ourselves; and providing a setting for education, opportunity, and lifelong learning for all. This is embodied by the Library's current slogan, "Here for you, wherever you are."

A TRADITION OF EXCELLENCE IN EDUCATION

The Cleveland Heights-University Heights Public Schools have a long tradition of excellence – in teaching and in learning. The school district consists of seven elementary schools, two middle schools and one high school. Three school buildings house early childhood and preschool programs. Cleveland Heights High School students can earn college credit while still in high school through the Advanced Placement academic program. There are many extracurricular activities and varsity sports from which to choose. Also, Heights High has a number of National Merit Scholarship semifinalists and finalists and National Achievement semifinalists.

The instrumental and vocal music program at Heights High is nationally renowned. Monticello and Roxboro Middle Schools offer programs to meet the needs of the adolescent student. In addition to core academic areas of English, language arts, science, social studies and math, students can take instrumental, vocal or general music, art, foreign language and cultures, computer education, communications, physical education and health.

Parks & Recreation

CLEVELAND HEIGHTS - A Great Place to Live and Play!

Throughout the year, the City of Cleveland Heights offers a variety of programs for residents of all ages and interests, ranging from sports to the arts. Preschoolers can enjoy playful movement classes, and school-aged children can participate in an after-school enrichment program, youth basketball, baseball, softball and ice hockey sports leagues. Weeklong developmental camps – Basketball, Boys’ Lacrosse, Girls’ Lacrosse, Field Hockey, Tennis, Ice Hockey, and Girls’ Soccer – are also offered.

Adults can stay in shape with fitness classes or work out at our state-of-the-art fitness center. Seniors can choose from a wealth of opportunities, ranging from leisure or fitness to workshops and field trips. In addition, senior residents can learn computer basics as well as explore the internet at the Senior Computer Center.

During the summer, tots can cool off in the wading pool & splash pad and families can swim at Cumberland Pool; and children can participate in a summer camp and an arts camp. Another great option for staying cool in the summer (as well as a great workout all year long) is the Olympic-sized, year-round North ice rink at the Cleveland Heights Community Center, located at One Monticello Boulevard at Mayfield Road.

During the winter, in addition to programs and activities at the Community Center, a wonderful sledding hill is located at Taylor and Superior Roads. In addition, Cleveland Heights residents don’t have to travel far to see top-notch entertainment at their own summer arts park! The municipally-owned and -operated Cain Park has two covered, open-air theaters. And the annual Cain Park Arts Festival in July is one of the top-rated outdoor arts festivals in the country.

A Parks and Recreation brochure detailing programs, activities, classes and special events is sent to residents twice a year. It is also available at www.clevelandheights.com.

Annual Fitness Center Passes/30-Day Passes/Daily Admission

Use of the Fitness Center, Track and Gym is available to Cleveland Heights resident adults and students (through high school) who live within the boundaries of the Cleveland Heights-University Heights City School District. Cleveland Heights residents need to purchase an annual Recreation ID Card for \$5.00. Residents with a current Recreation ID Card then have the following three options: **1)** pay \$6.00 per day to use the Fitness Center, **2)** purchase an annual Fitness Center pass, good for one year from the date of purchase for unlimited usage of the Field House, or **3)** purchase a 30-day unlimited Fitness Center pass.

Personal Training Services

Individualized personal training programs adapted to fit your goals and needs by certified experts. All of our expert trainers design your individual program to make your goals a reality. All ages and fitness levels welcome. One-on-one, Couples and Small Group training sessions available. 60-minute and 30-minute sessions available. Trainers set their own rates within an affordable range. Contact Ty Richardson at **216-694-8414** or rapidresultsworks@gmail.com.

Office on Aging & Senior Center

The Cleveland Heights Office on Aging and Senior Activity Center are located in the Community Center on Monticello Blvd. at Mayfield Rd. Our hours are 8:30am-5:00pm Monday through Friday. Participation is limited to Cleveland Heights residents age 60+. Senior Activity Center ID cards, which are \$5.00 annually to residents, are required and can be obtained at the Community Center during normal business hours. Photo ID and proof of residency (such as a piece of mail displaying Cleveland Heights address) are required. For medical van & SAC van rides, social services, and to register for classes, call the Office on Aging at **216-691-7377**.

Room Rentals

The Community Center has several rooms to accommodate your event no matter how big or small, including a large activity room with a warming kitchen. Tables and chairs are also available for your function. Please contact **216-691-7373**.

Athletic Field Reservation

Recreation ID card holders can also reserve baseball/softball and other athletic fields for a fee. The Department of Parks and Recreation limits availability of its athletic fields. Please contact Mike Discenzo at **216-691-7383** to inquire about field availability.

Picnic Shelter Reservation

Cleveland Heights has six covered picnic shelters available for use by Cleveland Heights residents with a current Recreation ID Card only. The Caledonia Park picnic shelter is also available to East Cleveland residents. All are available to holders of a current Recreation ID Card for a cost of only \$25.00 on a first-come, first-served basis.

An application needs to be completed in order for a permit to be issued. Non-permit use is allowed, however, permit holders will have priority for picnic shelter use. Permits are enforced by the Cleveland Heights Police Department. Please call the Community Center at **216-691-7373** to request a picnic shelter reservation packet which includes all pertinent information and forms.

Being A Good Neighbor

The City of Cleveland Heights has always encouraged neighbor-to-neighbor communication. Street meetings and block parties are held to strengthen that bond. Residents want to feel comfortable and safe living on their street. It is for this reason that the City offers the following reminders. Parents and guardians are asked to discuss the City ordinances listed below with their children.

CURFEW

Parents and guardians have the responsibility for enforcing curfew regulations. Those found guilty of curfew violations will be referred to Juvenile Court. Children under 12 may not be out on public streets, sidewalks, public parks or public grounds from the onset of darkness until 6:00am. Youngsters between 12 and 15 cannot be out between 10:30pm and 6:00am.

16-17 year-olds may not be out between midnight and 6:00am.

In addition, no person under 18 years of age shall be on public streets, highways, sidewalks, public parks or public grounds within the Coventry Village Business District or the Cedar-Lee Business District between the hours of 6:00pm and 6:00am. For a copy of the curfew ordinance, visit www.clevelandheights.com/curfew or call Community Relations at **216-291-2323**.

FOR SAFETY'S SAKE

Playing games or walking in the street is both unsafe and a violation of the law!

ANIMALS

Dogs should be leashed at all times when they are outside, and owners must not permit the dog to bark or howl to the extent that it disturbs the peace. Owners must also remove all feces deposited by their pets on public or private property. All dogs must wear valid license tags issued by the Cuyahoga County (**216-443-7010**).

LITTER

If you see litter in your neighborhood, please be a good neighbor and pick it up promptly. Be sure to remind your children not to discard candy wrappers and other litter around the neighborhood.

TRESPASSING

No person, without privilege to do so, shall enter or remain on the land of another. Children should be reminded to avoid trespassing on neighbors' lawns and yards, and to respect elderly residents on the street.

NOISE

Being a good neighbor means that we remember that our houses are close together and our neighbors may not want to hear the music that we play! Please be considerate when you play your sound system. Make sure that only you, not the whole neighborhood, can hear the music.

Good neighbors must be aware of the Cleveland Heights ordinance that it is not permitted to make unreasonably loud noise (by voice, music, TV, etc.) of such intensity as to disturb the neighbors.

The sounding of any horn on any motor vehicle is in violation of this ordinance. Therefore, ask your visitors to ring your doorbell to announce their presence, rather than honk their car horns, which is annoying to your neighbors.

We want the lawns on our street to be mowed regularly, but you should be aware that the operation of a lawn mower within 300 feet of any dwelling before 7:00am or after 9:00pm is prohibited. If the Police are called to a property on a noise complaint, they can issue a citation.

IN ADDITION...

No person shall cause inconvenience, annoyance or alarm by preventing the movements of persons on a public street or sidewalk.

**HEIGHTS COMMUNITY
CONGRESS**

Supporting Strong Diverse Communities

Office located inside Forest Hill Presbyterian Church

Lee Rd. at Monticello Blvd.

P.O. Box 18492 Cleveland Hts, OH 44118-0492

The Heights Community Congress (HCC) is an advocate of social justice, a monitor of fair housing and a facilitator of community building. HCC is a non-partisan, nonprofit organization, governed by a 25-member Board of Trustees.

HCC facilitates a wide spectrum of activities, which includes real estate monitoring, fair housing education, multicultural programming, tenant information services and annual community awards and recognition. HCC is funded in a variety of ways, including the popular Heights Heritage Home Tour, which is held each September.

Multicultural Programs

HCC's diversity programs consist of activities that will instill a sense of community spirit and involvement among residents of all races, religions, cultures, ages, ethnic heritage and socio-economic levels. The Multicultural Task Force consists of dedicated members who are committed to helping the community understand, appreciate and value the contributions of all citizens.

An Opportunity to Make a Difference

- Are you interested in furthering the cause of civil rights?
- Are you interested in combating discrimination?
- Would you like to be an advocate of fair housing?

You can make a difference in these issues as well as earn extra cash by joining Heights Community Congress' Fair Housing Enforcement Team. **For more information call Ruby Appling at 216-321-6775.**

Community Safety Tips

The City of Cleveland Heights has been recognized as one of the safest cities in which to live among cities of our size. Since it is always helpful to review ways to protect our property and ourselves, we offer the following tips.

- Please be smart. Remember to lock your doors and windows.
- Do not leave purses, cell phones, etc. in plain view through your windows.
- Remember to lock your cars and keep CDs, phones, etc. secured.
- Use lights effectively. When you are going to be gone for any length of time, use clock-timers or a photoelectric relay to turn lights or your radio on and off and, of course, alter your lighting patterns.
- When going away, advise a trusted neighbor of your absence. Ask a neighbor to pick up your paper, mail and flyers. Make your home look lived in. If you have no one checking on your home while you're away, the Cleveland Heights Police Department can conduct periodic security checks if you fill out the Away-From-Home Request Form available under "Forms and Permits" on www.clevelandheights.com.
- Leave outdoor lights on at night. Make sure the fixture is high enough and out of reach. However, be sure your lights do not reflect too much light on your neighbor's property.
- Report broken streetlights to FirstEnergy's Automated Outage Reporting Line: **1-888-LIGHTSS** or **1-888-544-4877**.
- Keep shrubbery trimmed to a reasonable height so windows and doors are visible.
- Close and lock garage doors whether at home or away. Lock car doors; keep your car in the garage.
- Put things away. Don't leave articles on sidewalks, lawn or porch. Do not leave your bike unlocked and unattended, even in your driveway or on your porch.
- When not riding, lock your bike with a chain to a place where it can not be lifted over a pole. Register your bike at city hall.
- If you have sliding glass doors, put a pin through the frame or grip for extra security. Use wedges, pins or brass fittings to prevent windows from being opened above a certain height.
- Don't open doors to strangers.
- Be alert for unusual activities. Call the police. The police want to hear from you no matter how minor you may think a situation. Report to police any suspicious activity. Call **216-321-1234**. Call **9-1-1** if an emergency situation.

The police do their job effectively because of the tradition of resident involvement and support. Be a good neighbor. Get to know one another – that way it is easier to spot an unusual occurrence.

Emergency Preparedness

While we don't have to worry about hurricanes in our area like our friends in the south, we know we are not immune to natural disasters. And in today's world, it is important for all of us to be prepared in the case of an emergency. There are things that you can do to make sure your family is prepared.

Prepare a Kit

Prepare a kit of emergency supplies that will allow you and your family to survive comfortably for at least three days in the event an emergency happens.

Water and Food

- Keep a three-day supply of water on hand – a gallon of water per person per day – for drinking and sanitation.
- Store at least a three-day supply of non-perishable food. Include canned goods; protein bars; peanut butter; dried fruit; nuts; staples; non-perishable, pasteurized milk; and comfort/stress foods.
- Pack a manual can opener.
- Have paper plates, cups, napkins and towels, and plastic eating utensils on hand.

First Aid

- Latex or other sterile gloves
- Sterile dressings
- Cleansing agent/soap, antibiotic towelettes
- Antibiotic ointment and burn ointment to prevent infection
- Adhesive bandages in a variety of sizes
- Eye wash solution
- Thermometer
- Prescription medications you take every day, such as insulin, heart medicine and asthma inhalers (rotate medicines to account for expiration dates)
- Prescribed medical supplies, such as glucose and blood pressure monitoring equipment and supplies
- Scissors and tweezers
- Non-prescription drugs like pain relievers, antacids, laxatives, etc.

Additional Items for Your Kit

- Battery-operated radio
- Battery-operated flashlights (Do **NOT** use candles or open flame for emergency lighting.)
- Extra batteries
- Plastic sheeting and duct tape
- Baby or children's items, such as diapers and formula
- Items for the elderly if needed
- Garbage bags
- Personal hygiene items
- Cell phone
- Two-way radio or walkie-talkies
- Identification for each family member
- Glow stick
- Cash (If the power is out, ATMs may not be working. Have some small bills on hand, as merchants may not be able to make change.)
- Important family documents
- Extra set of house and car keys

Make a Plan

Your family may not be together when disaster strikes, so plan how you will contact one another and review what you will do in different situations. Draw up a **Family Communications Plan** and include the following:

- **Out-of-state contact person**, phone number and email for this contact – it may be easier to make a long-distance phone call than to call across town, so an out-of-town contact may be in a better position to communicate among separated family members. Be sure every member of your family knows the phone number and has coins or a **prepaid phone card** to call the emergency contact.
- **Have a list** of the following information for each family member and keep it up-to-date: name, date of birth, important medical information.
- **Where to go in an emergency** – write down where your family spends the most time: work, school and other places you frequent. Include: address, phone number, a neighborhood meeting place and a regional meeting place for home, school and places you frequent.
- **The name, telephone, policy number**, etc. for your:
 - doctors
 - pharmacist
 - medical insurance
 - homeowners/rental insurance
 - other useful phone numbers
- **Each family member should carry an abbreviated copy of your Family Communications Plan**, which should include:
 - contact name and telephone
 - out-of-town contact name and telephone
 - neighborhood meeting place and telephone
 - emergency phone numbers (9-1-1 for emergencies)
 - other important phone numbers and information

Important Family Documents

Keep these records in a waterproof, portable container:

- Will, insurance policies, contracts, deeds, stocks and bonds
- Passports, Social Security cards, immunization records
- Bank account numbers
- Credit card account numbers and companies
- Inventory of valuable household goods, important telephone numbers
- Family records (birth, marriage, death certificates)

Utilities

It is a good idea to locate the main electric fuse box or circuit breakers, water service main and natural gas main for your home. Learn how and when to turn these utilities off, and teach all responsible family members. Keep necessary tools near gas and water shut-off valves. Remember, turn off the utilities only if you suspect the lines are damaged or if you are instructed to do so. **If you turn the gas off, you will need a professional to turn it back on.**

Be Informed

Family Connections

Where parents & children
play, learn and share

Coventry P.E.A.C.E. Campus

2843 Washington Boulevard, Cleveland Heights, OH 44118

216-321-0079 Fax: 216-321-7056 | www.familyconnections1.org

Family Connections is a unique, non-profit family support center offering free and low-cost programs and services in several locations for all families with young children. Family Connections' programs are designed to offer parents a variety of opportunities to enhance their parenting experience, build their confidence as parents and provide resources for them to become the parents they strive to be. Take advantage of Family Connections' parenting education series, individual parenting workshops, and parent resource libraries.

Drop-In Sessions: Several times a week parents play and learn with their children, and meet with other parents informally in our large playroom/family resource center. For instance, **Baby and Me** is an informal program that encourages parents to get acquainted, share experiences, find support and gain information from each other and from staff. Visit www.familyconnections1.org for the complete schedule of drop-in events.

School-Readiness Programs: Family Connections offers a number of programs to help parents and other caregivers make sure their children have experiences that will help them develop the skills needed to succeed in school.

The Family-School Connection Program: Made up of several components designed to meet the needs of families with a variety of supports for parent involvement in their children's education.

Fire Safety Information

Fire Division Facts

- **In case of an emergency (Police or Fire), call 9-1-1**

- The City's two fire stations are:
Station #1, 3445 Mayfield Road
Station #2, 12560 Cedar Road

- Fire ambulances are staffed with paramedics who transport victims to the closest and most appropriate of several nearby hospitals.
- Cleveland Heights firefighters participate in a regional special rescue team that provides rope, ice, confined space and trench rescue services.

PUBLIC EDUCATION

- Fire Division spokespersons are available to speak to community groups on a number of safety-related topics.
- Fire station tours are conducted in January, August and September.

FIRE SAFETY

A few basic fire safety rules:

- All residential occupancies must have a smoke detector on each floor.
- Unvented kerosene heaters are not permitted.
- Open burning within city limits is not permitted – no burning of leaves, no bonfire.
- Fireworks (without a permit) are not permitted.
- Barbecues must be at least 10 feet from any structure housing two or more families.

COMMUNITY SERVICES

Operation Save-a-Life, a program of the American Red Cross and the Cleveland Heights Fire Department, provide FREE smoke alarms to owner-occupied Cleveland Heights residents. Smoke alarms are distributed by Cleveland Heights Fire Department located in City Hall at no cost to residents. Call **216-291-2673** for more information, applications & appointments.

HYDRANT FLUSHING

During the months of April, May & June (weekdays only), the Fire Division flushes fire hydrants throughout the city. As a result, a great deal of sediment is raised. Be sure to check the cold water flow first to make sure it is clear during this period. If for any reason rust gets into clothing being washed, rust remover is available at Station #1, 3445 Mayfield and at the Water Division at City Hall, 40 Severance Circle.

Home Repair Resource Center

Keeping Cleveland Heights in Good Repair

HOME REPAIR RESOURCE CENTER
2520 Noble Road (at Oxford)
Cleveland Heights, Ohio 44121
216-381-6100, fax 216-381-6683
www.homerepairresourcecenter.org

Home Repair Resource Center (HRRC) is a nonprofit organization serving the repair needs of our community's homeowners for over 30 years. The FREE community services they offer, especially the Repair Library and Project Repair program, can be of great benefit to new homeowners – and these services are only available in Cleveland Heights!

Repair Library

The HRRC Repair library can help you plan for your home's regular maintenance needs and for improvements you wish to make. You can research the best repair methods and materials for almost any project – whether you will be doing the work yourself or hiring a contractor. Stop in for:

- “how-to” handouts, videotapes and books
- detailed specifications for major repairs (like a new roof)
- evaluations of contractors who have done work – good or bad – for other homeowners.

Library Hours: 9:00am to 5:00pm, Monday-Friday (evenings by appointment) Call 216-381-9560

Project Repair 216-381-9560

HRRC's Project Repair program can help you do repairs yourself:

- **Free “Hands-On” Classes:** HRRC teaches a variety of repairs, from replacing a faucet to installing a new flat roof. Classes offer “hands-on” experience with tools and techniques and an opportunity to practice using our materials.
- **Home Buyer Education Classes:** For those preparing to purchase to learn about the real estate process and special incentive programs.
- **Tool Loan:** HRRC offers a tool loan program for low- and moderate-income homeowners.

Home Repair Resource Center also offers special programs to assist with financing for repair and renovation projects beyond point-of-sale violations, and we have information on low-interest bank loans through County programs. **For information on financing, call 216-381-6100.**

Ordinances

You Should Know

In addition to the “Being a Good Neighbor” tips, we offer a summary of a few other ordinances, which may be commonly encountered by citizens on a regular basis. For additional questions, please contact Community Relations at **216-291-2323** or comrel@clvhts.com.

MORE REMINDERS FOR RESPONSIBLE PET OWNERS

So many of us are pet owners and appreciate the happiness a pet can bring into our families and households. But occasionally, we need to be reminded to keep our pets under control, not only for their safety, but also for the consideration of our neighbors. Here are several tips (based on the Cleveland Heights Ordinance) to keep our neighborhoods and pets in harmony.

- To protect our pets and neighbors, a pet should always be kept on a leash when going for a walk or any other time the pet leaves its home. This will reduce the chances of the pet wandering away and possibly hurting itself and others.
- A constantly barking dog signals problems for neighbors and for the animal. Loud and constant barking is disturbing and may mean that your dog is cold, frustrated or lonely.
- Pets may only urinate or defecate on the property of their owner, not on private or public property. If this happens, please take a minute to properly dispose of the waste.

Note: Do NOT dispose of the waste in stormdrains!

- Dogs must be licensed by the County every year and wear a license tag. An I.D. tag with the owner’s address and phone number should also be worn.
- Cats should be kept indoors and provided toys, companionship and a clean litter box. Stray cats may fight noisily and become a nuisance to neighbors.
- Only two dogs or cats, or a combination of one each, are allowed per dwelling.
- Only domestic animals are permitted as pets in the city of Cleveland Heights.
- Animals (except for guide dogs) may not be brought into stores.
- Animals are not permitted in Cleveland Heights parks with the exception of Cain Park.
- A vicious dog must be confined on its owner’s property. Vicious dogs must be properly leashed and muzzled if off the owner’s property. Vicious dogs must be registered with the City and a permit must be obtained.

For more information, see the Cleveland Heights website, www.clevelandheights.com.

- Animals may be impounded if in violation of Cleveland Heights Animal Control ordinances. A fee and all kennel charges must be paid in order for the animal to be released.

BICYCLES & SKATEBOARDS

The City requires licenses and registration for all bicycles operated within the city. Cyclists can buy their permits at the Treasury Window on the entry level of City Hall. They need to supply the color, make and model/serial number of the bike. The registration fee may be waived by the City if, at the time of registration, the applicant offers a satisfactory proof of ownership of a bicycle helmet and signs a pledge agreeing to wear the helmet at all times when riding the registered bike. Bikers should, of course, follow traffic safety rules. Bicycles and skateboards should not be ridden on sidewalks in commercial districts, nor in areas that have posted signs prohibiting riding on walkways. Skateboarders and rollerbladers can use the Skate Park in Cain Park.

GARAGE & ESTATE SALES

Garage sales are popular in the community, and although no permit is required, there are some guidelines to follow. Items offered for sale should not be displayed in the yard or in the front of the property, but must remain within the space of the garage. “Garage Sale” signs are allowed only on the premises at which the sale is occurring. Yard signs must be supported by a solid structure, firmly anchored into the ground; hanging signs are not permitted. All yard signs must be placed parallel to the street adjoining the yard upon which they are placed and must be set back at least 20 feet from the nearest edge of the sidewalk. All “Garage Sale” signs must be removed within 12 hours after the sale is concluded. A permit is required for estate sales or liquidation of household property conducted by a liquidator. The permit may be obtained from Community Relations, upper level of City Hall. For more information, contact Community Relations at **216-291-2323**.

GRASS & WEED REMOVAL

Most Cleveland Heights residents pride themselves on their lovely lawns; when someone neglects their yard or lot, it is unfair to neighbors. Grass and weeds should not be allowed to grow higher than six inches, or be allowed to go to seed and spread pollen, which may be harmful to human health. If this happens, the owner, occupant or manager of any lot or parcel in the city may be given two days’ written or oral notice to cut or destroy grass or weeds higher than six inches. If there is no compliance, the City Manager is authorized to have the grass cut at the owner’s expense. The charge will be a minimum of \$200.00 per hour.

JOGGING, WALKING & PLAYING IN THE STREET

For safety’s sake where a sidewalk is provided, no pedestrian shall walk in the street. If a sidewalk is unavailable, pedestrians should walk close to the curb on the left side of the road. Joggers, runners, and walkers are a common sight in Cleveland Heights, and they too need to remember to run/walk as close as they can to the edge of the road on the left side only. At night, they should wear reflective clothing. Pedestrians also shall not cross the street at any place except at a marked crosswalk. At no time should children or adults play in the street.

PARKING

Parking is not allowed on Cleveland Heights streets between 3:00am and 6:00am. If you have an overnight visitor, or have just paved or sealed your driveway and must park in the street, call the Police Department non-emergency number (**216-321-1234**) and ask for the officer-in-charge. A motor vehicle cannot be parked in a landscaped front, side or rear yard. Residents with pick-up trucks, vans or panel trucks must park them in a garage with the garage doors closed. Those residents who park their vehicles in the City’s municipal lots must purchase a permit that is available at City Hall.

SNOW REMOVAL

For safety’s sake, residents and merchants should keep their walks free of snow, ice, and debris.

TREES

A permit is required in order to plant, prune or remove a tree on public property. If you want a tree planted on your tree lawn, call Forestry at **216-691-7300**. For more information concerning trees, visit www.clevelandheights.com.

Refuse & Recycling

- Call the Public Works Department at **216-691-7300** to find out your refuse collection day or go to **www.clevelandheights.com/collection-schedule**.
- Garbage/trash/refuse for collection must be placed in **PLASTIC BAGS** (weighing no more than 40 pounds or less when filled) and securely tied.
- Keep the plastic bags filled with garbage in **TRASH CANS** or containers with **SECURE LIDS** until the evening before your pick-up day. It is best to keep the trash containers in the garage to keep animals from getting in them.
- **DO NOT PUT THE BAGS OUT BEFORE 7:00PM THE EVENING BEFORE YOUR COLLECTION.** Place the plastic bags filled with trash on your tree lawn near the curb after 7:00pm the evening before your scheduled collection day, **or before 7:00am the day of your collection.**
- **Do NOT put the trash CANS on the tree lawn, as then the trash will NOT be collected.** Not having the trash cans on the tree lawn makes the collection faster and more efficient.
- As a service to our residents, the City picks up bulk items, appliances and furniture **at no charge; however, a fee may be charged for items exceeding normal limits. Put the items out on your tree lawn no earlier than 7:00pm the evening before your collection day, but before 7:00am on your collection day.** Note: Wood must be cut into four-foot lengths, tied in bundles no bigger than two feet in diameter.
- Special refuse pickups; including moveouts, (there is a charge for this service) will be made on days other than the regular collection day upon request. Call the Public Works Department at **216-691-7300** to make any special requests or arrangements **for a fee.**
- If refuse of any type is set out prior to the regular collection day without special arrangements made with Public Works, **a fee may be imposed.**
- The City does not pick up commercial waste, earth, concrete, explosives or poisons.
- **Holiday Collection Schedule:** Collections scheduled on or after the following holidays will be delayed by one day during that week: New Year's Day, Martin Luther King, Jr. Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving Day and Christmas Day. (Columbus Day is **NOT** a City holiday.) Holiday Trash Collection will be delayed by one day.

RECYCLING

Cleveland Heights residents have made recycling a way of life. We hope you will too!

Why is it important to recycle?

It's environmentally responsible. Recycling saves landfill space and reduces landfill costs.

It helps your community.

If you're not recycling, you're throwing it all away.

RECYCLING GUIDELINES:

Recyclables are **COLLECTED EVERY WEEK** from all homes and apartments from which the City collects refuse. Please note that materials that are not properly prepared for recycling or are mixed with nonrecyclable material may be taken as refuse. Call **216-691-7300** with questions or go to **www.clevelandheights.com/recycling** or **www.cuyahogarecycles.org**.

RECYCLE THE FOLLOWING PAPER AND CARDBOARD PRODUCTS:

- Newspaper
- Catalogs, magazines, glossy ad inserts
- Office, computer, school paper
- Telephone books
- Pages from books (including hard cover)
- Paperback books
- Corrugated cardboard
- Boxboard cardboard (cereal boxes, etc.)
- Gift, shoe, and toy boxes
- Greeting cards, gift wrap (no foil)

Preparing Paper Products for Recycling

- Please remove all contaminants: waxed paper and bags, styrofoam, plastic bags, bindings and handles, spiral bindings, metal and foil, food from boxes
- A blue or clear bag for all recyclables (plastic, metal and glass).
- All paper may be co-mingled; that is, placed in the same paper bag or small cardboard container (corrugated boxes, food item boxes, such as cereal boxes or soft drink cartons).
- If using paper bags, pack tightly so nothing will fall out, or better yet, tie string around the paper.
- Cardboard, newspaper, junk mail, magazines, etc. may also be bundled with string only.
- If packing paper into a cardboard box, close the top to keep paper from blowing out and label RECYCLE. Maximum weight - 30 lbs. Maximum size box - 2 feet x 2 feet.
- Place the paper products on your tree lawn for collection on your regular collection day.
- Please note: Telephone books are collected all year. Set them out loose or tie them together on and place on your tree lawn on your regular collection day.
- Corrugated cardboard is now collected **EVERY WEEK** on your regular refuse/recycling day. Flatten and tie into bundles or put into a box no larger than two feet by two feet; maximum weight 30 pounds.

Paper Products **NOT** Accepted for Recycling:

- Pizza boxes • Wax-coated boxes (frozen food containers, milk and juice cartons)
- Wax paper • Carbon paper
- Thermal fax paper • Sanitary products and tissues
- Pet food bags • Stickers/laminated paper
- Plastic laminated paper (cola cups, French fry containers, etc.)

RECYCLE GLASS & METAL

- Glass bottles and jars (clear, brown, green) • Food and beverage cans • Metal lids • Plastic jugs with neck.

We do **NOT** recycle:

- Compact disc jackets (clear plastic),
- Plastic cups, plates or cutlery
- Planters
- Styrofoam
- Metal Clothes Hangers

Preparing Glass & Metal for Recycling

- Recycle the above items together in the same see-through (clear or blue) recycling bag.
- Place the bag on your tree lawn on your regular collection day. Recycling materials must be placed a couple feet away from the trash to ensure the driver knows which bags are recyclables.
- If using grocery store blue plastic bags, tie bags together.
- Do NOT put out single small bags.

WHAT ELSE IS NOT RECYCLABLE?

In addition to those plastic items listed on the previous page, we do NOT accept the following for recycling:

- Plastic toys • Outside plastic furniture • Vinyl siding • Clothes hangers • Window glass • Drinking glasses
- Pyrex glass • Light bulbs • Metal cookware • PVC piping • Plastic Bags

Latex paint is not accepted for recycling. **Latex paint must be dried out thoroughly before putting it out with refuse.**

Additional resources:

For more information, visit www.clevelandheights.com. The site includes information on refuse collection, how to dispose of large items and hazardous materials, and finding out your collection day.

If you have any questions, feel free to call Public Works at **216-691-7300**.

Consider donating unwanted items to local charities. Visit www.cuyahogawd.org/publications.htm to download "Pass it on: A Resource-Full Guide to Donating Usable Stuff."

WHAT ELSE CAN BE RECYCLED?

- **Car batteries** are collected on regular collection days and recycled.
- **Used motor oil:** If you change your own automobile oil, the City will collect it on your regular collection day. Place the oil in a sealed container (milk jug, 2-liter bottle, etc.) and place it near your recyclables.
- **Computers and accessories:** Acceptable items include CPU's and monitors, keyboards, mice, printers, terminals, modems and software. Cell phones are also accepted for recycling. The equipment will be collected curbside by special prearranged pickups. Televisions are not included in this recycling program. For more information, call the at **216-443-3749**.
- **Computer ink cartridges** (may be dropped off at City Service Garage)
- **Technotrash:** Safely recycle items with personal information on them: cell phones, pagers, PDAs and digital cameras. Using this recycling service guarantees complete security and keeps the material out of landfills. Residents wishing to recycle their unwanted items may contact the City's Refuse Division at **216-691-7300** and arrange for a pickup of your technotrash.

YARD WASTE IS RECYCLED TOO!

Yard waste, including grass clippings, leaves, twigs, weeds and trimmings from flowers and/or bushes, must be placed in paper bags (Kraft or brown grocery bags). It will NOT be collected in plastic bags, cardboard boxes, animal feed or other food bags. Bags may weigh no more than 40 pounds each. DO NOT use Kraft bags for other trash. Placing garbage in Kraft bags contaminates the whole load where it is placed and the City cannot recycle it.

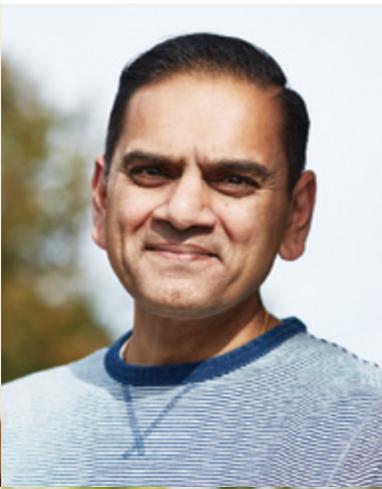

Brush, tree and hedge trimmings must be cut and tied securely into bundles no larger than four feet in length and two feet in diameter. Large piles of loose brush will only be collected by special request. Call the Public Works Department at **216-691-7300** to make arrangements for collection. For logs to be collected, they must be no more than 18 inches in length and 6 inches in diameter and stacked.

Loose leaves are collected from tree lawns in the fall (weather permitting) and for one month in the spring. Watch for a notice on www.clevelandheights.com, for specific information regarding fall leaf collection. At all other times, leaves will be collected only when placed in Kraft paper bags and set out with your regular refuse and recyclables. Leaves and yard waste cannot be collected in plastic bags as the plastic contaminates the entire load of material and will not be accepted by the composting facility. Leaves and brush must be kept in separate piles on the tree lawn. Combined piles cannot be collected.

Christmas trees should be placed on the tree lawn for the regular collection. All plastic bags, nails, lights, ornaments and metal stands must be completely removed.

Holiday Lights can be recycled by dropping them off at any Home Depot or Lowes or at the Solid Waste District located at 4750 E. 131st Street in Garfield Heights in the month of January. Broken lights should be left loose when dropping off. The City does NOT recycle Broken Holiday lights.
