Position	Social worker
Length of residence in Cleveland Heights	50 years
Are you a registered Cleveland Heights voter?	Yes
What special qualities, abilities, skills, insights or perspectives do you possess which would be of value in serving on Cleveland Heights City Council?	I have been a long time resident of this city but live in a area which is caught between cleveland hts and East Cleveland. So I was deprived of the education but claimed the residency
What educational training (formal or informal), employment and other life experiences have helped you develop the qualities, abilities, etc., described above?	I am a retired army officer and graduate of Kent State University where I studied Political science. I am also a landlord in cleveland hts so I have a vested interest.
Please list your recent community, professional or charitable involvements. List the most recent first.	I was a member of the Forest hills home owners organization.
What are your goals for our community and are there areas in which you believe the City needs improvement? How would your service on City Council help achieve those goals and improve the City?	As a home owner and a landlord I have a vested interest in economic development in cleveland hts. I have applied for the citizen advisory committee and still waiting for the opportunity to serve there

Do you have other responsibilities which would prevent you from participating in City Council and Council Committee work during certain hours or on certain days?

No other responsibilities other than these two beautiful puppies we are raising.

State any additional information you would like to have considered.

I have always wanted to serve my public as a dedicated citizen and I believe this would be the ultimate opportunity.
