

## City Council Application 2020

Reference #	12814596
Status	Complete
First Name	Charles
Last Name	Pearlmutter
Phone Number	[REDACTED]
Cell Phone Number	[REDACTED]
Email Address	[REDACTED]
Street Address	[REDACTED] Berkeley
Place of Employment	CCHW Pharmacy
Position	Pharmacy Manager
Length of residence in Cleveland Heights	16 years
Are you a registered Cleveland Heights voter?	Yes
What special qualities, abilities, skills, insights or perspectives do you possess which would be of value in serving on Cleveland Heights City Council?	<p>I have worked in area pharmacies for many years seeing many different aspects of the resident's healthcare needs and general knowledge of the healthcare and insurance industries. I currently work in mental health and addiction treatment. I also hold an Associate Professorship at NEOMED and precept pharmacy students. Previously have have worked for Wall Street companies and have an understanding of business analysis as well as how public policies can affect businesses and the economy. As a parent I understand family needs and my ex-wife was a teacher, school psychologist, director of special education and a lawyer so I have been exposed to seeing things from all of those perspectives. I am a member of the Orthodox Jewish Community and know the needs and wants of the community. Additionally am an appreciator of the arts, education and environmental activities of our great city.</p>

**What educational training (formal or informal), employment and other life experiences have helped you develop the qualities, abilities, etc., described above?**

I have attended Cornell University, Kennesaw State University, The Massachusetts College of Pharmacy as well as Hadar HaTorah and Rabbinical College of America rabbinical seminaries. I hold a Doctor of Pharmacy (PharmD), an associate professorship at NEOMED and formerly held (not active) Certified Geriatric Pharmacist (CGP) and Series 7 brokerage license. I am a member of the Ohio Pharmacists Association and the College of Psychiatric and Neurologic Pharmacists (CPNP). I am a former member of the Boy Scouts of America and I am somewhat trained as a blues guitarist.

**Please list your recent community, professional or charitable involvements. List the most recent first.**

I volunteer as a tutor with Partners In Torah, organize events for my local synagog - Congregation Zemach Zedek, I fund raise for the Leukemia & Lymphoma Society and served one year on their planning committee for their Light the Night event. As mentioned above I am a member of the Ohio Pharmacists Associate and the College of Psychiatric and Neurologic Pharmacists.

**What are your goals for our community and are there areas in which you believe the City needs improvement? How would your service on City Council help achieve those goals and improve the City?**

I think some prominent issues are the school budget and performance (and our recent need to raise levies), business and community development and the need to address adequate parking options for brick and mortar storefronts to survive and attract new business, traffic flow and intersection controls among many issues to potentially address.

**Do you have other responsibilities which would prevent you from participating in City Council and Council Committee work during certain hours or on certain days?**

The only absolute would be the Jewish holidays. I am the department head so while I am often very busy I do often have the ability to make my schedule around other obligations.

**State any additional information you would like to have considered.**

I have considered involvement in local government for many years but have not previously taken any steps in that direction.

**Would you like to upload a Resume?**

Yes

**Resume or CV Upload (5 MB Limit)**
